

Inclusive Hiring Made Easy

Inclusion Is Good Business

TotalLink helps local employers solve staffing needs with reliable, motivated talent through a supported hiring model that works.

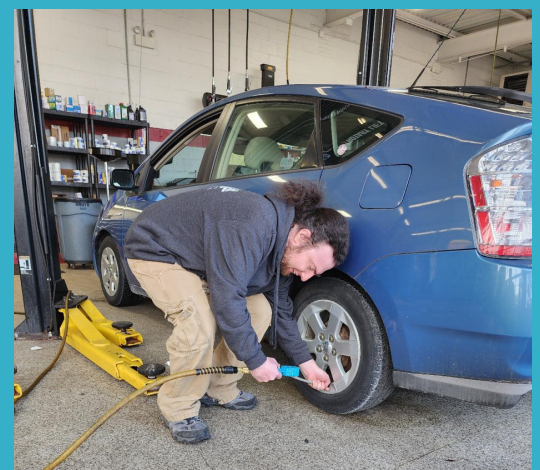

Through Customized Employment, we match candidates' strengths and interests with real business needs, creating roles that improve productivity and strengthen teams.

When you partner with TotalLink, you gain a committed employee and a dedicated support team invested in your long-term success.

200+

From restaurants to corporate offices, more than 200 adults have been placed through TotalLink into roles that make teams stronger.
